

MARAUDER MINUTES

E.E. Knight Elementary

March 9, 2012

Principal's Message

E. E. Knight's new website is here!

E.E. Knight staff has been working hard to update our website, share information, and give more access to our school for parents. We have made a few changes, and some of the areas are not fully functioning, but we feel it still provides more access to our information.

The website will be available through the O.E homepage, click E.E. Knight, then click "GO" when you see the announcements link and you'll be directed to our new site.

You can also type in the following address:

www.eeknightelementary.weebly.com

This website will offer more pictures, more information, and have links available for quick communication with our staff and PTG. We are still in the process of uploading pictures so please be patient.
